

Weekly News for Flora ECE

We are so excited to have our first full week of school. We will be going outside if the temperature is above 32 degrees. However, due to the heat advisory we will be having gross motor time in the gym. We are able to do this on days the weather is in climate. I am sending home a copy of your child's sign in sheet. These will be based on your child's current level of learning. If they are able to label the letters of their first name they will begin learning to trace and write their name. Please help your child to remove the velcro letters daily and place them in correct order spelling their name. Have your child to repeat the letters out loud if they are able so they will also be learning letter recognition. Our goal is to help your child build over all learning base in addition to their individual learning goals.

This week we are also learning more about our school rules. I am sending home a copy of these for you to use at your home also. For example, if your child is running in the house, take them to the rule sheet and remind them to use their "walking feet" running feet are for outside or in the gym. We also can remind them to use their "quiet voice" inside. We are hopeful that with your assistance at home we can help keep our classroom a safe learning environment for us all.

As always thank you for sharing your child with us!

Mrs. Edwards teacher, Ms. Rachel SLP, Ms. Gabby Paraprofessional, Ms. Julia Paraprofessional

Reminder for our phone number here at the classroom is 618-662-2014 ext 1482

The Flora Bus Barn new number is 618-508-9380
