

ECE News for the week of Oct 1,

This week in ECE we are learning all about the letter T, the number 5, the color yellow, the shape of a star. This week will be a short week due to parent teacher conferences. I look forward to meeting with each of you and helping you understand the progress each student is making since joining our Early childhood classroom this fall. No school Thursday, Friday or Monday of next week. Please let me know if you are unable to attend the PTC or if you would like us to call instead of in person. We are trying our best to accommodate schedules for parents, teachers and support staff of therapists. October is a fun month! We will be having a fall party on Friday Oct 27. Your child may wear or bring their costume for a small parade around the gym with prek and kindergarten for the rest of the Elementary students. You are also welcome to send treats, drinks, and party plates, napkins. Please let me know if you wish to bring something for our party. We also will have Thanksgiving, Christmas, Easter, and end of year parties. I will have a sign up sheet available at parent teacher conferences for you to sign what you are bringing. Thanks so much for being involved with your child and supporting our Early childhood Classroom.
