

## *December 2023 Newsletter*

### *Mrs. Suzy Dunahée's Class*

Cold weather is upon us, thus so is the awful allergy, cold, and flu season. So we ask if your student is showing any of the symptoms, please err on the side of caution. We want everyone to stay healthy and at school. Our classroom is cool, so if you would like to send a light jacket or shirt to keep in the classroom that would be great.

We are going to have a student gift exchange on Thursday, 21 December. I sent home a note about it and with the student's name your student has. If you do not want to participate or if you need help please reach out to me.

As always, if you have any questions feel free to contact me at school between 8:00 and 3:15 pm, by email [sdunahée@sese.org](mailto:sdunahée@sese.org), by phone (618) 617-1129, or by sending a note. Thank you for allowing me to work with your student this year.
