

Weekly news for Flora ECE 4-14-25

We have made it all the way through the alphabet with capital letters for handwriting without tears. The leader of the day will be choosing which shapes, colors, and letters to review daily. We will continue learning more about lowercase letters as we progress through the end of the school year. We have several students who will exit our classroom for their kindergarten placement. We are continuing to work on helping them prepare for this transition. We have been reminding students to raise their hands to get the teacher's attention, opening milk and juice cartons with little assistance, helping their peers with tasks, and wiping their own noses with a tissue. This in addition to prompting complete independence for feeding, toileting, placing their belongings away. We have many going to kindergarten theme books to read after we finish up Easter. We will celebrate Easter this week with a small egg hunt and treat for the students this Thursday. Thursday will be a 1:40 PM dismissal for our students. No school Friday or Monday for Spring Break. As always, thank you for sharing your child with us! Flora ECE
