August 2025

What Have We Been Up To?

Wow! How have we already gotten through the month of August? We have been very busy building relationships, learning about the rules, singing songs, studying the color red, and circles. We are now establishing a good routine and making the most of our time learning and playing together. We have enjoyed Art class, Library, and some Gross Motor time in the Multi-Purpose room.

Important Dates

- * August 29th - Early Dismissal
- * September 1st - No School
