

## STUDENTS

### **7:250 Student Support Services**

The District provides a liaison to facilitate the enrollment and transfer of records of students in the legal custody of the Ill. Dept. of Children and Family Services when enrolling in or changing schools.

The following services are provided to students enrolled in district classes:

1. Health services supervised by a qualified school nurse who administers the health program of the building to which the student is assigned.
2. Educational and psychological testing services and the services of a school psychologist as needed. In all cases, written permission to administer a psychological examination must be obtained from a student's parent(s)/guardian(s). The results will be given to the parent(s)/guardian(s), with interpretation, as well as to the appropriate professional staff.
3. The services of a school social worker. A student's parent/guardian must consent to regular or continuing services from a social worker.

The Director or designee shall develop protocols for responding to students with social, emotional, or mental health needs that impact learning ability. The District, however, assumes no liability for preventing, identifying, or treating such needs.

#### Erin's Law Counseling Options, Assistance, and Intervention

The Director or designee will ensure that each school building's Student Support Committee identifies counseling options for students who are affected by sexual abuse and grooming behaviors, along with District and community-based options for victims of sexual abuse and grooming behaviors to obtain assistance and intervention. Community-based options must include a Children's Advocacy Center and sexual assault crisis center(s) that serve the District, if any.

#### Article 26A Domestic or Sexual Violence and Parenting Resource Personnel

The Director or designee will ensure that at least one staff member in each school building is designated as a resource person (Article 26A Resource Person) for students who are parents, expectant parents, or victims of domestic or sexual violence and offers those services required by 105 ILCS 5/26A. See Board policy 7:255, *Students Who are Parents, Expectant Parents, or Victims of Domestic or Sexual Violence*. The Article 26A Resource Person may be a member of the building's Student Support Committee.

The Director shall ensure that this policy is implemented in a manner consistent with State and federal laws, including the Individuals with Disabilities Education Act, 42 U.S.C. §12101 et seq., and that it is respectful of student privacy, including that student records are maintained and their confidentiality protected in accordance with Board policy and District procedures.
