5:30 Hiring Process and Criteria

The Director is responsible for recruiting personnel, in compliance with District policy, and making hiring recommendations to the Executive Board. The Executive Board makes recommendations to the Governing Board that ultimately has the final authority in hiring and dismissing all employees. The District hires the most qualified personnel consistent with budget and staffing requirements and in compliance with Board policy on equal employment opportunities and minority recruitment. The Director may select personnel on a short-term basis for a specific project or emergency condition before the Board's approval. No individual will be employed who has been convicted of a criminal offense listed in 105 ILCS 5/ 21B-80(c).

All applicants must complete a District application form in order to be considered for employment.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

The District retains the right to discharge any employee whose criminal background investigation reveals a conviction for committing or attempting to commit any of the offenses outlined in 105 ILCS 5/21B-80 or who falsifies, or omits facts from, his or her employment application or other employment documents. If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any District employee, then the Board must consider that person’s status as a condition of employment.

Job Descriptions

The Board maintains the Director’s job description and directs, through policy, the Director, in his or her charge of the District’s administration.

The Director shall develop and maintain a current, comprehensive job description approved by the Governing Board; however, a provision in a collective bargaining agreement or individual contract will control in the event of a conflict.

Investigations

The Director or designee shall ensure that a fingerprint-based criminal history records check and a check of the Statewide Sex Offender Database and Violent Offender Against Youth

Database is performed on each applicant as required by State law. When the applicant is a successful director candidate who has been offered employment by the Board, the Board Chair shall ensure that these checks are completed. The Director or designee, or if the applicant is a successful director candidate, then the Board Chair shall notify an applicant if the applicant is identified in either database. The School Code requires the Chairs to keep a conviction record confidential and share it only with the Director, Regional Superintendent, State Superintendent, State Educator Preparation and Licensure Board, any other person necessary to the hiring decision, the Ill. State Police and/or Statewide Sex Offender Database for purposes of clarifying the information, and/or the Teachers' Retirement System of the State of Illinois when required by law. The Board reserves its right to authorize additional background inquiries beyond a fingerprint-based criminal history records check when it deems it appropriate to do so, in accordance with applicable laws.

Each newly hired employee must complete a U.S. Citizenship and Immigration Services Form as required by federal law.

If an indicated finding of abuse or neglect of a child has been issued by the Ill. Department of Children and Family Services or by a child welfare agency of another jurisdiction for any applicant for student teaching, applicant for employment, or any District employee, then the Board must consider that person’s status as a condition of employment.

The Director shall ensure that the District does not engage in any investigation or inquiry prohibited by law and complies with each of the following:

1. The District uses an applicant's credit history or report from a consumer reporting agency only when a satisfactory credit history is an established bona fide occupational requirement of a particular position.

3. The District does not request or require a wage or salary history as a condition of being considered for employment, being interviewed, continuing to be considered for an offer of employment, an offer of employment, or an offer of compensation.
4. The District does not request or require an applicant to disclose wage or salary history as a condition of employment.
5. The District does not ask an applicant or applicant’s current or previous employers about wage or salary history, including benefits or other compensation.

6. The District does not ask an applicant or applicant's previous employers about claim(s) made or benefit(s) received under the Workers' Compensation Act.
7. The District does not request of an applicant or employee access in any manner to his or her personal online account, such as social networking websites, including a request for passwords to such accounts.
8. The District provides equal employment opportunities to all persons. See Board policy 5:10, *Equal Employment Opportunity and Minority Recruitment*.

Sexual Misconduct Related Employment History Review (EHR)

Prior to hiring an applicant for a position involving *direct contact with children or students*, the Director shall ensure that an EHR is performed as required by State law. When the applicant is a director candidate, the Board Chair shall ensure that the EHR is initiated before a successful director candidate is offered employment by the Board.

The physical fitness examination must be performed by a physician licensed in Illinois, or any other state, to practice medicine and surgery in any of its branches, a licensed advanced practice registered nurse, or a licensed physician assistant who has been delegated the authority by his or her supervising physician to perform health examinations.
